October 5, 2008
Keith Maurer

Why growth?

Principles

1. God causes the growth (I Cor. 3:7, Phil 1:6)
2. It is a lifelong process (II Cor. 3:18)
3. We are becoming what is already true about us (Col 1:22)
4. Christ- likeness is the goal (next week)

Process

1. Holy Spirit

How

- Reveals Truth (John 16:13; I Cor. 2: 10-12)
- Provides Resources (Gal 5:16- 25)

How are you doing in allowing Holy Spirit access to your life?

2. People

How

- Reveal Truth (I Thes. 5:14)
- Provides Resources (I Peter 4:10-11)

How are you doing in terms of staying connected to people and allowing them access to your life?

3. Word

How

- Reveals Truth (II Tim. 3:16)
- Provides Resources (Ps 119)

How are you doing in terms of exposing yourself to God's Word on a regular basis?
