

## **POINTING OTHERS TO JESUS**

**John 1:19-51**

**John Series Week 2**

**September 13, 2009**

**Keith Maurer**

### **Big Idea**

Jesus is presented as God through the witness of His early followers

### **John's witness**

It's not about me (19-28)

**A witness doesn't focus on themselves!**

It is about Jesus (29-34)

**A witness talks about Jesus!**

### **First followers**

**We have found the Messiah (35-42)**

**Because of the joy of their own discovery, a witness will bring others to Jesus!**

**We have found the one who fulfills messianic predictions (43-51)**

**A witness will invite others to investigate Jesus for themselves!**

### **Application**

1. Be a witness right where you are.
2. Know your role and do it well.
3. Believe and have life in Him.
