

WHAT ARE YOU WORTH?

Big Idea: Jesus sacrifice shows that we have great value to God.

Our redemption was **motivated by love**.

Our redemption was **costly**.

Our redemption was **purposeful**

Implications

1. We will value ourselves.
2. We will seek to live out our new identity as children of God.
3. We will live for Him.

What Could this look like?

- His kingdom and values become my own
- Pleasing Him becomes my primary objective in life

My time, talent, and treasure are to be used for Him
