### Small Group Discussion

*When you hear the word “evangelism” what is your first response? Is it something you find difficult? Why/why not?*

*How does the “just walk across the room” concept strike you? Have you had experiences similar to Bill’s where you are prompted to “walk”? How have you responded? Do you find it easy or difficult to walk? Why?*

*In Bill’s story he said he heard a clear “no” from Brian. Have you had similar experiences? How have you handled it? How do you know when to persist in our efforts to reach out and when we need to back off?*

*Bill stated “The single highest value in the evangelistic endeavor is to be attuned to and cooperative with the promptings of the Holy Spirit.” How could this help you as you think about “walking”?*

*Who are some people that God has placed in your life that he may want you to initiate with? What is one thing you could do or say this week to take a step towards one of these people? How can the group help you do this?*
