PRAY FOR PENN STATE

Our Fall Launch (first two weeks focused on meeting new students) starts soon and we need your prayers!!!

MORE THAN...

46,270 STUDENTS

will storm the campus on August 26th, about 8,000 will be incoming FRESHMEN

EAST HALLS 4,000

of these FRESHMEN will live in one area of campus

In the past few years, it seems there have been strongholds around this area with few students getting involved and difficulties in starting Bible studies. Pray strongholds will be removed!

20 10:10 TEAMS

scattered across campus offering Bible study, meals together, prayer, and opportunities to serve

Our 10:10 Teams come from John 10:10 and Jesus' promise of abundant life - pray these students encounter Christ and the fullness of His promise.

STAFF TEAM 10

full-time staff we will seek to share not only the Gospel of God but also our own lives and train our leaders to do the same for a lifetime; 2 of these staff will be joining us for the first time!

Would you pray for these students, Freshmen in East Halls, our 10:10 teams and our staff team as we hit the ground running seeking to proclaim the Good News of Jesus Christ?

Thank you so much for your prayers and partnership in the Gospel.
